Los Angeles Department of Water & Power

Mandatory Mask/Face Covering Requirement

Message from the General Manager's Office

Date: April 8, 2020

Effective Thursday, April 9, 2020, and until further notice:

ALL Department employees, customers, contractors, and guests are required to wear a protective face covering whenever at any Department property or facility, or on the job performing work for the Department in the proximity of any other individual. This applies to all classifications performing all work functions.

Employees doing work that requires Arc Rated protective wear are exempt while performing those duties.

Specific requirements

- Adequate face covering is that which fully and snugly covers the mouth and nose.
- Face covering can be a disposable paper mask or a multiple layer fabric mask or bandana.
- Surgical grade masks and N95 masks/respirators are not required nor recommended except for those employees who must wear these as part of their regular work duties.
-

See the attached link for additional guidance:

https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html

Application

- Adequate face covering must be worn at any and all Department sites whenever in an area of common use. This includes but is not limited to hallways, restrooms, elevators, meeting rooms, lobby and waiting areas, garage and parking areas, and building perimeters.
- Face covering is NOT required in your own office or workspace provided that there are no other individuals in your immediate proximity.
- Face coverings ARE required at all field locations and construction sites unless you are physically separated from the public and working alone. Work requiring AR clothing is exempted from this.
- **Employees are encouraged to bring a preferred mask or face covering to work so it is available immediately upon your arrival**.
- Disposable paper masks and/or fabric masks will be available as needed.
- Paper masks are single use only and must be replaced at least daily.
- Fabric coverings should be washed daily and reused.
- **TAKE ONLY WHAT YOU NEED – DO NOT HOARD MASKS!** It is important that we have enough for all employees who need them.

DRAFT NOT

Face coverings will help each of us reduce the spread of coronavirus.

Face coverings are not a substitute for job-required PPE.

Face coverings DO NOT replace other important measures:

- Continue to maintain minimum six-foot distance from others
- Avoid touching common surfaces with your bare hands
- Wash or disinfect your hands frequently

Thank you for your cooperation and commitment. Be smart - stay safe!

Martin L. Adams
General Manager and Chief Engineer
